MRS. PHYLLIS SUGG

High School, for many of us, is the most basic form of education we will experience. The Seniors undoubtedly have grown to admire many of their teachers, because of the difficulty they had in determining the dedication of their annual.

One person who has truly been an inspiration to us is Mrs. Sugg. She daily survives the "click-click" of 40 typewriters. She is always there with that winning smile and pleasing personality.

For her willingness to help us and her deep-kindled devotion, we the Senior Class take pride in dedicating the 1965 Se-Hi to Mrs. Phyllis Sugg.

Dedication

MR. EDSSEL NEEDHAM

"A person who is always there, but seldom seen" is our county bus mechanic.

For the past years he has gone above and beyond his required duties. He has won the respect and admiration of everyone including our principal, bus drivers, and the students.

With a deep sense of pride and humility we the senior class dedicate our 1965 Se-Hi to Mr. Edsel Needham.

Editor's Message

As I sit here preparing the final shipment of the Se-Hi my mind wanders from one thought to another.

Most vivid of all, I recall the day when I learned that I had been chosen Editor and the mixed feelings that quickly followed! I was quite happy and honored, to say the least; but, at the same time, a bit apprehensive.

Having served as Asst. Editor during my junior year proved invaluable to me for I learned just what was required to edit an annual.

Yes, I am Editor, but those who deserve the real credit are the ones who will never receive it. The various managers, section editors, and typists worked long and hard often to find that their work needed changes. With pride and determination they continued to the end product, the 1965 Se-Hi.

May I express my most sincere thank-you's to the administration, faculty, annual staff, student body, sponsors, and especially to Mrs. Auman for all their time and effort given in the preparation of this annual.

As you read this annual, may you find within it highlights and fond memories of your high school days at "Ole S.H.S."

Seniors

As men of old who sailed the seas
In search of adventure rare,
So did we begin a trip
Its thrills and spills to share.

We moved along our chartered course
For twelve exciting years,
With teachers as our pilots -
Mapping courses, calming fears.

The first few years were full of fun
For us, young sailors green,
As we learned what made us go
And mysteries still unseen.

Then we moved along the way
The last four years to go.
We mastered all the knowledge
That all good sailors know.

Now, up in the crow's nest
The sentry calls "Land Ho!"
And all the Seagrove Seniors
Know the time has come to go.

Yet we know the truths we've learned
Upon this voyage rare
Will steer us through the sea of life
Its thrills and spills to share.

Junior Marshals

Each year, seven Marshals are chosen from the Junior Class at Seagrove High School. They are selected for their scholastic ability and high school record. The Marshal with the highest record is Chief. These students are to be commended: not only for their good records but also for the services they render for the Senior Class, which are ushering at the Senior Play, Class Night, and Graduation. We, the Senior Class, salute these students.

My God,

Guide me through life's

Teach me how to play the gam
Only in a sporting vein.
Endow me with the will to win,
With a spirit striving from within.
And Coach,

To expect, only, what I rightly earn.
Quitting never, though discouraged be,
Ever true to self, to team, to Thee,
Keep me clean in speech and thought.
In doing and in living as I ought
Of hate and envy keep me free,

Prepare me now in friendly strife
On the playing field of life.
And someday, Master, Coach Supreme,
Let me play on Your great team.

Honor and -

The Seniors of the class of '65 wish to pause in reflection and appreciation . . . We extend a heartfelt "Thank You" to all who walked "hand in hand" along the way.

We are especially proud that through the co-operation of those in our community, a new activity bus was purchased for the school's use. Happy was the day when this addition arrived . . . just think . . . we're the first to enjoy it. Let's keep it as new as the day this picture was made.
